Ofsted Visit

As you will all be aware we have been inspected by Ofsted for 2 days this week. The behaviour and attitude of all children in school was impeccable and all staff are so proud of them all. Thank you to all parents for your continued support and to those who completed the online 'ParentView' questionnaires. Ofsted are now putting together their report which should become available in the new year.

Many thanks for your ongoing support.

Local School Nature Grant

"Wargrave CE Primary School is delighted to announce that we have been awarded a Local School Nature Grant, thanks to players of the People's Postcode Lottery. Our pupils will be benefitting from 3 large School Raised Beds, Get Growing Kit and training which will be used to enable our children to learn about growing flowers and vegetables. In addition staff will receive training to help children learn outdoors. Pupils played an important role in applying for the grant and selected equipment that they felt would benefit their peers. Brogan Dakin Year 3 said "we are really excited as the raised beds we have got are no good and it will be good to be able to grow things". The project is run by Learning through Landscapes and funded by Postcode Local Trust, which receives funding from players of People's Postcode Lottery. "

Many thanks for your ongoing support.
