Year 6 Residential

This week, Year 6 started the year in style by spending a fun-filled two days at Tatton Park Scout Camp with Active Hope. They had a brilliant time (even in unpredictable weather) and were given opportunities through activities including: bell-boating, cooking outside, zip wiring, toasting marshmallows and team building games.

Year 1 WOW Starter

Year One began their learning journey in the forest. They found all the spoons around the forest that naughty Duck had taken.

Staff Car Park

As we start a brand new school year we would like to remind all Parents/Carers that the school car park is just for staff only. Due to an incident over the holidays our electric gate is out of action at the moment, however, the time restraints we have in our policy still stand. These are as follows:

Parents dropping off at breakfast club can enter the car park until 8.15am and re-opens at 3.45pm. The only exceptions to this are parents with blue badges who have agreed permission following individual meetings held with them last term.

We would appreciate all co-operation with this as the safety of all children is a priority.

Donated Clothes

We would like to extend a massive 'Thank you' to everyone who has donated clothes/uniform over the last few months. These have been distributed accordingly and we have kept a lot in school as spares. Unfortunately we are now unable to accept any more donations for the time being as we have limited storage space. Once again, thank you and we will keep you informed if we are able to accept any more in the future.

Meet the Teacher Meetings

Thank you to all parents who attended the meetings this week. We hope that you found them useful and you have a better understanding of what your child will be doing this year.

Many thanks for your ongoing support.

Children's University

If your child attends an 'Out of School' club eg, football, rugby, swimming etc and the club they attend has signed up to 'Children's University' then the hours they participate there all add up and go towards their awards at the end of the year. Your child can get a 'passport' where these hours will be recorded and signed by the club. The passports will need to be returned to school after Christmas to Mrs Cahillane for her to update each child's account. It is worthwhile asking at your club if it is something they are signed up to.

KS2 Forest School

We are giving children this half term to settle into their new classes and hopefully look into forest schools after the October holidays.

Tesco Appeal

As you now know we have successfully submitted an application for funding to purchase a polytunnel and refurb the allotment/garden bedding boxes on the infant playground. Voting is open until the half term holidays and we will know 4 weeks after this if we are successful. We will eventually need help from parents and volunteers and we will let you know when we start to organise this in the next week or two. If you want to be involved then please let me know.

Please ask all your family and friends to vote for our school in the local Tesco in Earlestown and also in Haydock.

Many thanks for your ongoing support.
