Welcome Back

I would like to introduce myself as the new interim Executive Headteacher at Wargrave C of E Primary School and to take this opportunity to wish you a happy new start to the new school term. Since my appointment I have visited the school several times and been very impressed by the atmosphere and especially the warm welcome I have received from children and staff alike. The previous Executive Headteacher, Mrs Ryder, did an excellent job and everyone associated with Wargrave should be proud of what has been achieved here over the past 12 months. It is a privilege to be entrusted with the job of leading Wargrave and continuing this great work. I am sure there will be many challenges ahead, not least as the government makes changes to what is expected of schools. It is important that we work together to make sure our school serves the needs of the community and children. I hope that as many of you will continue to be involved in the life of the school as much as possible.

I look forward to meeting you in the coming months and please do not hesitate to get in touch if you have any concerns or better still ideas for how Wargrave can continue to improve further.

As you now know we have successfully submitted an application for funding to purchase a polytunnel and refurb the allotment/garden bedding boxes on the infant playground. Voting is open until the half term holidays and we will know 4 weeks after this if we are successful. We will eventually need help from parents and volunteers and we will let you know when we start to organise this in the next week or two. If you want to be involved then please let me know.

Please ask all your family and friends to vote for our school in the local Tesco in Earlestown and also in Haydock.
